BC CHAPTER PRESENTS

Fall Baking Workshop with Special Guest Presenter

Tracey Muzzolini

Tracey will be bringing to Vancouver Island University and BC Chapter's workshop a variation of her successful Vienoiserie workshop 'Kickin' it Old School' where she will demonstrate classic pastries with a new twist. Tracey's approach to baking and her insights into succeeding in business will ensure an enlightening and informative industry evening for all participants.

About the Guest Presenter ...

Tracey Muzzolini was born into the baking trade. Her parents took over Christies Mayfair Bakery in Saskatoon fifty years ago, and Tracey and her brother now operate the business.

Tracey travelled around the world and upon return to Canada immersed herself into artisan bread and pastry production.

Her unique approach and creativity allowed her to take her craft and reach new heights in quality and traditional bread and Vienoiserie baking. An opportunity to join the Canadian World Baking Cup team gave Tracey the opportunity to bring her craft to the world stage. She was chosen as the bread expert on the team and enjoyed a great run in the regional competition in 2007 that ended in Mexico City where the team were invited to Paris as exhibition team during Europain and the Coupe du Monde.

Tracey's Canadian inspired creations such as Maple Granola Bread with its signature maple leaf shaped top-piece and her flax mustard and pine nut ciabatta, have remained classics.

Don't miss out on this informative and educational session!

A gourmet supper will be produced by culinary students using VIU's Wood-Fired Brick oven.
